## OAHU DEFEATS WASEDA; WASEDAS BEAT C. A. C.

Fully five thousand people were seated in the grand stand, bleachers, chairs, automobiles and carriages when Barney Joy called "play ball" last Sunday afternoon in on All Oahu-Waseda game at Athletic park.

In spite of the drizzling rain which fell during the afternoon, every one present seemed to be perfectly willing to watch the game.

The biggest majority of those present at the game were Japanese, although nearly every nationality were represented.

Waseda won the toss and went to bat, but were unable to score until the second inning. The crack team from Japan although beaten in their first game with the All Oahus were not outclassed in spite of the score which ended 6-2.

Several times during the game it looked as if defeat might be turned into victory, but the team captained by Louis Soures held the visitors down to two runs in spite of their having the bases full several times during the game.

The first game between the J. A. C's and the Marines ended in a victory for the former team, the score being 9-0. Up to the eighth inning the Marines had been unable to score, but well placed hits and errors on the part of the Japanese gave the sea soldiers their own runs.

### PUNAHOU AND WASEDA.

Before a crowd even larger than the one on Sunday, the Punahou Alumni and Waseda baseball teams took the honors yesterday afternoon at Athletic park by defeating the P. A. C's and the C. A. C's.

The first game between the Punahou and Portuguese teams ended in the seventh inning with the score 11-2 in favor of the old timers.

The second and main game of the afternoon was won by the visiting Waseda team after one of the hardest battles ever fought on a local baseball field, the score being 8-5 at the end of the game.

The rooting under the personal direction of Jack Doyle eclipsed anything ever heard here before. Omura the crack Waseda pitcher was responsible for twelve strike out and only allowed five bases on balls.

On Saturday afternoon the Wasedas will play with the Marines and on Sunday with the P. A. C's.

### FLAVIGNY WINS IBG RACES.

Cal Leonard's imported coast horse Flavigny, won the main event at Waiuku yesterday, the mile and a quarter dash. Major Collier, Warning and Webber finishing in the order named.

The race was one of the closest run in the islands. The other races were won by the following:

Second race, three-eighths, running—Coppitt 1; Adrain Lecoureur, 2; Bernice, 3.

### CAVALRY DEFEAT OAHU.

The crack polo team of the Fifth Cavalry defeated the Oahu team Saturday afternoon at Lihue, the score at the end of the game being Fifth Cavalry 5-3-4; Oahu, 0.

Both teams played a good game and showed much improvement over last year's playing.

## JOHNSON DEFEATS JEFFRIES AT RENO

RENO, Nevada, July 4.—"Don't hit him Jack. Don't put the old fellow out," yelled the crowd as Johnson had Jim Jeffries at his mercy in the fifteenth round of the battle which has made the negro the champion heavy-weight fighter of the world.

Not a cheer was accorded the Texan when he put the pride of the American prize ring down for the full count in the arena here today and started race riots in many sections of the country.

"I was too old and didn't have the snap of youth," was Jeffries' diagnosis of the case when he had recovered his composure after the merciless beating that Johnson administered to him in the ring. "I guess the public will let me alone now," he concluded, with an air of relief that it was all over.

There were five hundred women who had the morbid curiosity to see the big fellows beat each other.

Jeffries never had a chance from the start to the finish of the fight and the big black came out of the ring without a mark on him, while Jeffries' right eye was completely closed, one cheek was split open and he was bleeding from his nose and mouth.

Jeffries drew first blood, however, and put it all over the negro in the fourth round, rushing him to the ropes and landing a succession of body blows and a right to the mouth. Johnson cut loose in the fifth and had it all his own way from then on to the finish, except in the twelfth when the Californian brought the audience to its feet by rallying in a last desperate effort to win.

At the end Jeffries was hanging on to the ropes and his seconds had thrown the towel into the ring. The finish was an exciting one, as the spectators rushed in to stop the fight before the count of ten had been completed by the referee.

The negro blocked the old champion's blows at every stage and punished him terribly during the last five rounds.

In the fifth round Jeffries' eye was completely closed.

The end began in the thirteenth round, after which the experts advised Jeffries to stay without fighting and try to gain time.

At the end of the final round Johnson attacked Jeffries savagely, delivering three knockdowns that sent Jeffries against the ropes. Each time the big Californian staggered to his feet, and after the third Johnson sprang, tiger-like, and landed a left on the jaw that sent Jeff down and out. The spectators saw it coming and jumped into the ring.

Johnson won \$72,000, or sixty per cent of the purse of \$121,000. Tex Rickard, the referee, adding a bonus of \$20,000 for the moving pictures. Jeffries' share is \$60,000.

In the ladies' doubles the prizes being two racket pins, the victors were Mrs. Patten and Mrs. Vickers.

Ladies' singles, Mrs. Patten vs. Mrs. Bartels. Mixed doubles, H. Vickers and Mrs. Bartels vs. Connors and Mrs. Patten.

### CHARLOTTE C. WINS.

The first inter-island yacht race was finished at Kahului yesterday, the yacht Charlotte C. winning from the Kamehameha, Gladys and Helene in the order named. The Charlotte won the race on actual time without having to use her time allowance. The Charlotte crossed the line at 4:41 yesterday morning, the Kamehameha and

Gladys finishing a few minutes afterwards.

Both the winner and Kamehameha went ashore in the harbor but were hauled off uninjured.

### ASAHI'S WIN HONORS.

The final game in the Junior Oahu baseball league first series was played at Athletic park yesterday morning, the Asahi team defeating the Muhocks 12-11 in a game that was full of errors and base hits. The games in the second series will not be played until after the Wasedas leave for Japan.

### BELGIANS WIN RACE.

The future officers of the Belgian merchant service, defeated the crews from the cruisers Cleveland and Chattanooga yesterday afternoon in the six-paddle canoe race at the water carnival under the auspices of the Outrigger Club. The junior two-paddle canoe race was won by Reidford and Brown.

Captain Evans' crew won the senior paddle canoe race, with Curtis Hustace and his crew a close second.

The junior six-paddle race ended in a dead heat and was ordered raced over again at some future date.

On account of the heavy surf running, the races for the Clark cup were also postponed.

### MARINES AND HOSPITAL CORPS.

One good and one miserable exhibition of baseball was played at the league grounds Saturday afternoon. The Marines defeating the Rugerites 15-6, the Hospital Corps team defeating the picked team from the cruisers Cleveland and Chattanooga 4-2.

All four teams seemed to be tired and not able to get in the game as they should have done. The sailor lads put up by far the best game of any of the teams, although they made errors that were costly.

A return game will probably be played with the Hospital corps this week.

### CHILLINGWORTH'S TEAM WINS.

A good close game of baseball was played yesterday morning at the league grounds between a picked team gathered by Henry Chillingworth and the team from the cruisers. The score at the end of the game was 5-4 in favor of the former team. Both teams played a good game and furnished much excitement to the many fans present.

### IT WAS STARTING.

No one expected the solemn-looking man to say anything, but after a little he turned to the passenger on his right and remarked:

"Sir, am I correct in repeating what I saw in the papers yesterday, that from the commencement of the Panama Canal up to date the number of lives sacrificed number eighteen hundred?"

"You couldn't have read it right," was the reply. "It gave the number at twenty-eight hundred. I read it very carefully because I have a brother down there."

"Twenty-eight hundred, eh? Just wait a minute."

He took out pencil and paper and figured for a moment and then said:

"Wouldn't you call those figures startling, sir?"

"Oh, perhaps."

"But they are startling sir—very startling."

"They may be."

But they are, sir—They are, I am an undertaker, and I have just figured it out that the profit on those 2,800 burials was exactly \$11,200, and I wasn't there, sir—I wasn't there!"
